

## **INTERNET IMPROVEMENT – WE NEED YOUR HELP!**

**We need Shuniah residents to take the INTERNET PERFORMANCE TEST.**

**Shuniah is working with neighboring municipalities and Northwestern Ontario Innovation Centre to receive funding to improve internet services in the surrounding area.**

**If you wish to give comments, PLEASE complete the comment box on the right-hand side BEFORE you start the test. There is no personal information gathered just the internet speed is registered in your area to supply the data required for the funding to improve your service.**

**Please select the link below and run the test on your internet service.**
