MTO Contract 2021-6049 - Highway 11/17 from 3.5 km East of Highway 587, Easterly for 14.4 km

Teranorth Construction & Engineering Ltd. will be carrying out rock excavation operations to facilitate the construction of the new Hwy 11/17 expansion project from 3.5 km East of Highway 587 and continuing Easterly for 14.4 kms, approximately 800m east of the MTO rest stop on Hwy 11/17 in Pearl. Blasting will occur at MTO Pit #90 located on the North side of Hwy 11-17 just East of Eldorado Beach Road.

Please be advised that Rock Blasting is anticipated to commence November 23, 2022 and continue throughout 2022.

Blasting will start with three warning signals, a 30 second moment of silence, one final warning signal followed by a blast. Once the blast is all clear a final "all clear" signal will sound.

If you have any further questions regarding blasting, please do not hesitate to visit our site office located approximately 100m east of the end of the 4-lanes in Passlake, on the North side (left hand side) going east or call John Pechiwa (705) 507-2978.
