REQUEST FOR TENDER

for the Municipality of Shuniah

Upgrade Fire Department & Public Works Radio Repeaters and CACC Link

The Corporation of the Municipality of Shuniah requires multiple **radio repeaters and a radio CACC link in** accordance with the following Schedule of Pricing, Scope of Work, Performance Requirements, Specifications, Proponent Requirements, General Requirements, and Warranty.

Tenders are to be submitted **electronically** as a single PDF file by email to:

tenders@shuniah.org, on or before 2:00 p.m. (local time) on November 27, 2026.

Submissions should include, but not necessarily be limited to, the following:

1. All quoted prices - HST extra
2. The company location and the address of its service depot
3. An outline of the services to be provided
4. Availability of equipment
5. Guarantees/Warranties
6. Equipment Specifications
7. Terms and conditions associated with payment.
8. Suppliers are encouraged to submit more than one proposal (if applicable)
9. Any other supporting information you may wish to include with your submission

INFORMATION FOR ALL PROPONENTS

NOTE - Access to the site housing the municipal radio repeaters is restricted and controlled exclusively by CRC Communications. Due to the security requirements of the facility, CRC Communications must be present for any site visits, as well as for the removal, installation, or modification of equipment.

If bidders are required to attend the site or perform work involving the radio equipment, CRC Communications must oversee all access and equipment terminations. Any costs associated with CRC Communications' attendance and support services shall be borne by the contractor and paid at CRC Communications' applicable hourly rate. Attendance and support services must be scheduled at a time agreed to by CRC Communications.

Address each paragraph and item in the specifications of this tender. A point-by-point response is requested.

NOTE — Bidders shall provide confirmation and/or comments for each corresponding item, as indicated.

Failure to complete such confirmation may result in the unacceptability of the proposal.

Confirm/Acknowledge: _____

The Corporation reserves the right to be the sole judge of the acceptability of any material/equipment/service offered and to purchase the material/equipment/service that, in its opinion, most closely meets the operating requirements of the department. The Corporation also reserves the right to award different options, or combinations of options, as deemed necessary.

Confirm/Acknowledge: _____

All proposals submitted to the Corporation of the Municipality of Shuniah become the property of the Corporation and, as such, are subject to the provisions of the Municipal Freedom of Information and Protection of Privacy Act.

Confirm/Acknowledge: _____

This confirms that the Corporation of the Municipality of Shuniah will not use or disclose the information provided without proper authorization and will keep the information in a physically secure location accessible only to staff who require access.

Confirm/Acknowledge: _____

RIGHTS RESERVED BY THE MUNICIPALITY OF SHUNIAH

The Municipality reserves the right to be the sole judge of the acceptability of any product/service offered and to purchase the product/service that, in its opinion, most closely meets the operating requirements of the Municipality.

The Municipality reserves the right to award different options, or combinations of options, as deemed necessary.

The Municipality reserves the right to reject any and all submissions, in whole or in part, and to waive technical defects, irregularities, and omissions if doing so will serve the best interests of the Municipality.

The Municipality reserves the right to terminate this contract, in whole or in part, without penalty or recourse, when doing so is deemed advantageous to the Municipality.

The Municipality reserves the right to terminate the contract without notice due to non-performance, unsatisfactory service, and/or unsatisfactory product performance.

The Municipality reserves the right to adjust the quantities or configuration upward or downward to meet its requirements and budget allotments, without penalty to the Municipality.

DELIVERY, ACCEPTANCE, PAYMENT

I/We hereby estimate delivery of the equipment to the location at **48.52362 N, -89.11519 W, with the closest access road at 375 Mount Baldy Rd in Shuniah, Ontario,** as specified, within _____ calendar days after notification of the award of the contract. Installation includes removal of the existing radio repeater equipment, which shall remain the property of the Municipality of Shuniah.
All permits and costs associated with ESA electrical requirements are the responsibility of the installer.

The Municipality of Shuniah will not make payment until all items/terms applicable to this tender have been included/completed to the entire satisfaction of the Municipality of Shuniah.

WHERE APPLICABLE

For purposes of evaluation, the total cost of the base equipment as specified in the tender, **excluding options**, will be considered, although items may be added or deleted as deemed necessary by the Corporation.

SPECIFICATIONS

PART "A": Fire Department & Public Works Radio Repeaters and CACC Link

Scope of Work

The Municipality of Shuniah is seeking tenders from qualified radio communications contractors to assess, supply, install, commission, and place into service all repeater equipment necessary to provide a reliable radio communications system for the Fire Department, Public Works, the CACC link, and associated communications infrastructure, **EXCLUDING** filtering equipment and antennas.

The successful proponent shall:

Evaluate the existing repeater and communications infrastructure.
Identify equipment that has reached the end of its life or no longer meets operational requirements.
Supply and install all equipment required to maintain or improve system performance and reliability.
Ensure compatibility with the Municipality's existing radio network, dispatch communications, filtering equipment, and antennas.
Provide all programming, testing, commissioning, documentation, training, permits, and installation services.
Remove obsolete equipment where required and return it to the Municipality of Shuniah.
Provide warranty and ongoing service support information.

Performance Requirements

The completed system shall:

Maintain or improve current radio coverage and reliability.
Support all existing municipal radio users and channels.
Meet applicable Industry Canada (ISED) licensing requirements.
Operate continuously in an indoor communications site environment.
Include surge protection, grounding, and backup power integration as required.
Provide a minimum manufacturer's warranty of ___ years.

Be fully functional upon commissioning.

Proponent Requirements

The proponent shall submit:

A description of the recommended solution.
Equipment proposed and rationale for replacement.
A list of all components included.
Installation methodology.
Project schedule.
Warranty information.
Total project cost.

Warranty

The performance and material warranty should be fully stated and attached to the tender. _____

The dealer should provide a full description of all extended warranties.
